The 1980 Summer Session at Mary Washington College

The 1980 Summer Session is designed for the interests and educational needs of many students. The May session, of three weeks duration, is for any typical student attending a college that operates on an early semester plan. Classes normally meet for three hours a day for five days a week. In this session, a student may earn three or four semester hours of credit and still be free for employment and for vacation in June, July, and most of August.

The June and July sessions can meet the needs of college students and adult learners. Courses are offered throughout the day and in the evening. Daytime classes in the June and July sessions normally meet for two hours a day, five days a week, for four weeks. Most evening classes in these two sessions meet for two and one-half hours Monday through Thursday. It is possible to receive six or seven credits in each of the two sessions. All together, that is in the May, June and July terms, a student can earn a full semester of credit which is fifteen or sixteen hours.

Qualified rising high school seniors may wish to "taste" college work by selecting a course or two offered in the July term. School teachers may wish also to expand their learning during the July term or by taking late afternoon and evening courses in the May and June terms.

Finally, there are workshops designed for specific purposes and for specific people. The 1980 Summer Session has something for everyone. Enroll now and be ready for classes when they begin.

GRADE REPORTS AND TRANSCRIPTS

Grade reports will be mailed to all Summer Session students within one week of the close of each Summer Session term.

An enrolled student who withdraws without officially notifying the Office of Student Records will automatically receive a grade of "F" for all courses enrolled and will be required to pay the full amount of tuition and general college fees.

Students needing transcripts of their Summer Session records should request them in writing from the Office of Student Records, 215 George Washington Hall. With each order there is a charge of $2.00 for the first transcript and $1.00 for each duplicate copy sent to the same address at the same time.

PAYMENT OF FEES

General college fees and tuition will be determined on the basis of the number of credit hours for which the student is enrolled.

Fees must be paid by the registration date. Those students who register by mail must mail fees by the date stated in the registration material. Students who register on the registration date must pay that day. Accounts paid after the due date will be assessed a $25.00 late payment fee.

VISA or Master Charge may be used for payment of fees. If this mode of payment is used, note the name of the card holder, the card number, expiration date of card, social security number of the card holder, and state which card is being used. Enclose with the Registration and Fees Sheet.

ORIENTATION FOR NEW RESIDENCE HALL STUDENTS WHO HAVE NOT PREVIOUSLY ATTENDED MWC

A handbook counseling session for residence hall students who are attending this College for the first time during the May term is scheduled for Monday, May 12, at 8:30 p.m. in Randolph Parlor. New students entering the College for the June term will meet in Randolph Parlor on Monday, June 2, at 8:30 p.m. The July term new students will meet in Randolph Parlor on Monday, June 30, at 8:30 p.m.

HONOR CODE INFORMATION FOR STUDENTS WHO HAVE NOT PREVIOUSLY ATTENDED MWC

All students who are new to Mary Washington College should read carefully the information about the Honor Code at the College. The enclosed Honor Pledge should be signed and returned with the application materials.

NOTE: GRADES WILL BE WITHHELD UNTIL THE HONOR PLEDGE IS SIGNED AND ON FILE AT THE COLLEGE.

ACADEMIC ADVISERS

The Assistant Dean for Advising will be on hand at registration to consult with any student who has questions about the courses or programs. The Dean and Assistant Dean are also available at any time during regular office hours prior to registration.

RESIDENCE HALL INFORMATION

All residential Summer Session students will be housed in Randolph Hall. Students desiring residence hall accommodations must submit the Summer Session Housing Application along with the admission materials.

Residential space will be assigned by the Residence Hall Director. Students whose Housing Applications have been approved may occupy the assigned space after 1:30 p.m. Monday, May 12; Monday, June 2; or Monday, June 30.

Students wishing residence hall accommodations who have not completed the Summer Session Housing Application must do so and receive their room assignment immediately upon arrival on campus. They should report to the Residence Hall Director in Randolph Hall in order to receive on-campus housing.

All residential students must participate in the board plan. No partial plans are available.

MEDICAL EXAMINATION

All residential students, with the exception of those who lived in a residence hall during the 1979-80 session at MWC, are required to have a medical examination. The appropriate form can be obtained from the Office of the Dean of Students. It must be completed by a physician and returned to the Hugh Mercer Infirmary prior to the beginning of the 1980 Summer Session.

IDENTIFICATION CARDS

Identification cards may be obtained through the Office of College Police from 4:30 p.m. to 8:30 p.m.:

May 12 June 2 June 30

<u>You must present your Registration and Fees Sheet marked paid by the Comptroller's Office before an identification card for the Summer Session will be issued.</u> Your identification card is essential for checking books out of E. Lee Trinkle Library and for those who live in College housing for obtaining meals from Seacobeck Dining Hall.

AUTOMOBILES AND PARKING

All student cars, whether parked on campus or kept in town, including those operated by day students, must be registered in the Office of College Police, and the parking decal must be prominently displayed on the left rear bumper of the car.

Parking spaces are limited, and priority must be given to faculty and staff members meeting job requirements. No student car is to be parked on Campus Drive (except in the 15-minute time zones) between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. The entire length of the main road, from gate to gate, is reserved for faculty and staff cars and visitors conducting business with the College.

Cars should be registered at the Office of College Police during regular office hours on May 12 and 13; June 2 and 3; and June 30 and July 1. A valid operator's licence and the car registration card must be presented at the time of car registration.

THE HONOR SYSTEM AT MARY WASHINGTON COLLEGE

The Honor Code at Mary Washington College serves to provide mutual trust between the students, the faculty, and the administration. The Honor System functions as the primary unifying force to promote and maintain the atmosphere of freedom and trust that is essential to intellectual growth and maturity. The students at Mary Washington feel that an operative Honor Code contributes to this atmosphere by assuring that courses of study are pursued independently and freely to each student's satisfaction. The perpetuation of the Honor System relies upon the interaction of each student in his support of the System.

The Honor Code is founded upon certain assumptions and premises which every student must fully understand in order to actively support the System. Our system is based on a strong belief in the necessity of the fundamental honesty and integrity of each member of the college community. The student's integrity is the very spirit of our way of life at Mary Washington College.

Each student must realize that by accepting admission to Mary Washington he has acknowledged his obligation of commitment to the provisions of the Honor Code. Upon matriculation at the college each student is counseled on both the ideas and the specifics behind the Honor System. Following counseling, each student must sign an Honor Pledge Card, thus endorsing a code which prohibits lying, cheating, and stealing. It is only with this acceptance of the code that a student is considered to be an actual member of the community.

In keeping with the belief in the integrity of all students here, the Honor System also assumes that an accused person is innocent until proven guilty. It is necessary that an accusation against a student be made by another student, a teacher, or college official before any action can be taken by the Honor Council. The Honor Council, composed of eight elected representatives and an elected president, is responsible for interpreting the Honor Code and for seeing that no student is found guilty without a fair hearing. This council is convened only at the request of the student accused of the violation. It has no investigative powers at all; these rest completely with the accuser.

The Honor System at Mary Washington recognizes that the student is a mature person who is responsible for his own actions. It does not function solely as a system of rules and regulations, but complements the academic environment. The idea of having an Honor System originated with the students; likewise, the enforcement and continuation of the system is in the students' hands.

The benefits of the Honor System are many. The feeling of trust among students, teachers, and college officials contributes greatly to the amount of freedom extended to each individual. One's word of honor is accepted as such. Instructors often give take-home tests, and tests and exams are unproctored. Students are free to browse leisurely in the bookstore and in the stacks of the library. As in any atmosphere of freedom there is also present the need for responsible action to protect that freedom. An active awareness of this responsibility contributes to the maintenance of the spirit of the Honor System, making it more than just a cherished tradition or ideal. It is, indeed, a life force within the community, an integral aspect of Mary Washington College.

SPECIAL COURSE OFFERINGS

The special courses described below will be offered during the 1980 Summer Session. Descriptions of all other courses are listed in the 1978-80 Mary Washington College Catalogue. The College reserves the right to change the course offerings as necessitated by enrollment and availability of staff.

CPSC 201S WORKSHOP I IN COMPUTER PROGRAMMING AND SYSTEMS

Introduction to computers and programming in the BASIC language. The emphasis from the first day is on "hands on" experience, with at least half of the class time spent in the computer laboratory. Students solve a variety of problems, utilizing our Hewlett-Packard 3000 computer. (Students may not receive credit for both CPSC 201S and CPSC 101.) (Additional information may be obtained from Dr. Joseph L. Conroy, Department of Mathematical Sciences and Physics.)

CPSC 202S WORKSHOP II IN COMPUTER PROGRAMMING AND SYSTEMS

A continuation of the problem solving and computer programming that begins in WORKSHOP I. The programming language is FORTRAN, and, once again, we emphasize the active role of the students. Prerequisite: WORKSHOP I or permission. (Additional information may be obtained from Dr. Joseph L. Conroy, Department of Mathematical Sciences and Physics.)

SUMMER STUDY IN DRAMATIC ARTS
(DRAM 250S-251S)

In conjunction with the Fredericksburg Summer Theatre (FST), the College will offer a workshop in acting and technical theatre during the June and July terms. In addition to attending morning classes, students in the program will study with experienced actors and technicians and will participate in all phases of the FST productions. (Details on the program may be obtained from Mr. Neil Howard, Department of Dramatic Arts and Dance.)

OCEANOGRAPHY
(GEOL 0102)

Recommended preparation: Math 111 or equivalent - 3 cr. (N/M). Study of the oceans, ocean floor, sediments, continental drift, tides, currents, waves, seawater, and marine resources. Lecture. (Further details are available from Mr. Thomas V. Dagenhart, Jr., Department of Chemistry and Geology.)

PRINCIPLES OF HISTORIC PRESERVATION
(HSPR 201,202)

A survey of the preservation field, with attention to historic, social, economic, political, legal and environmental issues.

SPECIAL STUDIES: THE HERITAGE AND CARE OF THE OLD HOUSE
(HSPR 471)

The course will focus on two main aspects of the old house: its historical development and its present care. Within those areas consideration will be given to such matters as the European background and subsequent technological innovations, methods of analysis to determine age and changes, and investigation of ways to deal with typical problems of preservation.

ORCHESTRAL MUSIC
(MUED 470S, MUHL 360S, AND MUPR 0355)

Three unique two-credit courses dealing with orchestral music will be offered this summer by the Department of Music in conjunction with the Chatham Orchestra Institute which will be in session June 23-July 4. The Orchestra and the School (MUHL 470S) will deal with topics of interest to those involved with school orchestra maintenance; Symphonic Music (MUHL 360S) will rely on score analysis for a theoretical and historical study of a musical genre from its roots to the present; and Orchestra Ensemble (MUPR 0355) will focus on orchestral literature from all periods. (Further information may be obtained from Dr. James Baker, Department of Music.)

ADMISSION POLICY FOR THE 1980 SUMMER SESSION

Students who wish to enroll for the Summer Session should complete the appropriate forms in the back of this catalogue and file them with the Director of Summer Programs. Students may: (1) apply, register, and pay fees by mail; (2) apply by mail, register for classes, and pay the fees in person; or (3) apply, register, and pay fees on the days of registration. Students who are applying for one of the courses with field experience or for the workshops should pay particular attention to the deadline dates shown with the course descriptions.

An application fee of fifteen dollars ($15.00) must accompany an application for admission to the Summer Session. This fee is not refundable except in cases where the only course requested does not materialize.

Students currently in other colleges or who plan to enroll in other colleges must present a certificate of eligibility in order to enroll for summer courses at Mary Washington College. Space for this purpose is included in the admission materials at the end of this catalogue.

Talented secondary school students who have completed their junior year but have not been graduated must submit written approval of the principal or guidance counselor before being permitted to enroll in courses.

Acceptance for the Summer Session does not imply acceptance for admission to the regular sessions of the College. Credits earned during the summer by students who have not been granted regular admission status to Mary Washington will be considered for degree credit only when regular admission is granted.

ADMISSION AND REGISTRATION INSTRUCTIONS FOR STUDENTS ATTENDING THE 1980 SUMMER SESSION

A student must be admitted to the 1980 Summer Session at Mary Washington College before he or she may register for classes. All of the forms for admission, registration, residence hall accommodations, and payments are included in the back of this catalogue. The complete process may be accomplished by mail or in person.

Questions regarding any of the process should be addressed to the Director of Summer Programs, Mary Washington College, Box 3575 College Station, Fredericksburg, Virginia 22401 or call (703) 899-4614.

ADMISSION PROCEDURES

1. Complete and return promptly the Summer Session Application, the Virginia In-State Tuition Form (if appropriate), the Honor Pledge, the Housing Application (if appropriate), and the Student Records' Card with the $15.00 non-refundable application fee. Make check or money order payable to Mary Washington College. Your cancelled check is proof of payment.

2. All applicants who claim privileges based on Virginia domicile (one's legal abode) must complete the Virginia In-State Tuition Form and return it with the application.

3. Read carefully the information concerning the Honor Code at Mary Washington College and submit the appropriately signed Honor Pledge.

4. Summer Session applicants who are currently enrolled in another college or university, applicants who intend to transfer the credits earned to another institution, and high school students who wish to enroll for Summer Session courses must have the appropriate official complete the approval statement on the reverse side of the application.

5. All information requested on the application and registration materials must be given in the appropriate spaces. Failure to complete all forms will delay the admission and registration process.

6. You should note that admission to the Summer Session is for only that session. Should you wish to take courses in the first or second semester, it will be necessary for you to complete the appropriate application process.

7. If approval is granted for admission to the Summer Session, the Office of Student Records will be notified so that registration can take place. No formal letter of acceptance will be mailed to the candidate. If additional material is needed before approval can be granted, the candidate will be so notified by the Director of Summer Programs.

NOTE: All applications for admission must be accompanied by the $15.00 non-refundable application fee. If you wish to follow the procedures for registration by mail, your check should cover the $15.00 application fee and the appropriate Summer Session fees.

MAIL REGISTRATION

Students registering by mail should complete all the enclosed appropriate materials, including the Student Records' Card and the Registration and Fees Sheet, returning these materials in the Summer Session envelope provided.

Mail registration for the May term must be received by May 7; for the June term by May 28; and for the July term by June 25.

Students registering by mail should register for all courses they plan to take during the summer.

Registration by mail must be accompanied by payment of the appropriate fees. These should be indicated by the student on the Registration and Fees Sheet.

ON-CAMPUS REGISTRATION

All students not enrolled by mail should register on the day prior to the first term they are attending. Registration will be conducted Monday, May 12; Monday, June 2; and Monday, June 30 between the hours of 4:00 p.m. and 8:00 p.m. in the Office of Student Records, 215 George Washington Hall.

STUDENTS PLANNING TO TAKE CLASSES IN MORE THAN ONE OF THE REGULAR SUMMER TERMS SHOULD REGISTER FOR ALL CLASSES on the registration day of the first session they are attending. (For example, a student planning to take courses in the May and June terms should register for both courses on Monday, May 12.)

Students registering on-campus should complete the enclosed Registration and Fees Sheet. These materials should be taken to the Student Records Office at the times specified above.

REGISTRATION FOR WORKSHOPS

Workshops are usually courses which are of a shorter length of time than those of the regular Summer Session. The dates for these courses are listed in the course descriptions. Students who plan to register for a workshop should do so by mail or register on the first day of one of the regular terms. Students registering only for a workshop beginning after the first day of a regular summer term should register by mail or on the first day of the course at a time which does not interfere with class attendance.

Consult the 1980 Summer Session Calendar for the deadline dates to add or drop courses without penalty.

HONOR PLEDGE

I, as a student and citizen of Mary Washington College, do hereby resolve to uphold the honor of the College by refraining from giving or receiving academic material in a manner not authorized by the instructor; from the illegal appropriation of the property of others; and from the deliberate falsification of facts. I shall do all in my power at all times to create a spirit of honesty and honor for its own sake both by upholding the Honor System myself and by helping others to do so.
